

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows.

Amend the heading before the first paragraph on page 1 of the specification as follows:

DESCRIPTION BACKGROUND

Insert the following heading between lines 22 and 23 of page 1:

SUMMARY

Amend the last paragraph (lines 23-25) on page 1 as follows:

The present invention aims to eliminate ~~said~~ the cost associated with replacing clothes hangers between the clothing production and storage phase and the clothing distribution phase, providing a clothes hanger structure which, in one single product, can meet the needs of both the clothing industry and those of commercial distribution and the end user.

Insert the following heading between lines 5 and 6 of page 2:

BRIEF DESCRIPTION OF THE DRAWINGS

Insert the following heading between lines 18 and 19 of page 2:

DETAILED DESCRIPTION
